Be Fruitful And Multiply: Spiritual Pregnancy R. Michael Tarpley

Be Fruitful And Multiply is a fresh and forward look at how we as believers, have not only been commanded to prosper by God (mind, body, and soul), but have equally been designed and equipped by Him to do so. During the course of this book we'll discuss God's incredible revelation of pregnancy, and how it relates to us given birth to our full potential. Yes! I said 'our', because God's perfect intent is not to bless everyone else and leave you out. However, there is a process to becoming spiritually pregnant, just as there is a process to becoming naturally pregnant. As you read this book I believe that the revelation will speak directly to you, the reader, to get up and participate with God's plan for your life. This is not to discourage you, or to make you feel ashamed, on the contrary, it speaks directly to you in order to inspire you to show greatness. Some of the questions that this book will address are: "What is my purpose? ", "Can I make it through this pain? ", "Am I waiting on God or is God waiting on me? ", "When is the right time to get pregnant? ", and "Is ministry just preaching? " If you have asked yourself any or all of these questions, then without a doubt you will want to read this book in its entirety. Now, let's go forward and participate with God, believing big and doing big, because truly, nothing just happens, especially birth. "Be Fruitful And Multiply"
