The Rapture: The Pretribulational Rapture Viewed From the Bible and the Ancient Church Ken Johnson

This book presents the doctrine of the pretribulational Rapture of the church. Many prophecies are explored with Biblical passages and terms explained from the Scripture itself. Evidence is presented that proves the first century church believed the end times would begin with the return of Israel to her ancient homeland. More than fifty prophecies have been fulfilled since Israel became a state; several more are yet to be fulfilled. Evidence is also given that at least four ancient church fathers taught a pretribulational Rapture. This book also gives many of the answers to the arguments midtribulationists and posttribulationists use against the pretribulational position. It is our hope this book will be an indispensable guide for debating the doctrine of the Rapture. Brought to you by Biblefacts Ministries, Biblefacts.org
