Stefan Zweig

## The World of Yesterday Stefan Zweig

By the author who inspired Wes Anderson's film, *The Grand Budapest Hotel*

Written as both a recollection of the past and a warning for future generations, *The World of Yesterday* recalls the golden age of literary Vienna—its seeming permanence, its promise, and its devastating fall.

Surrounded by the leading literary lights of the epoch, Stefan Zweig draws a vivid and intimate account of his life and travels through Vienna, Paris, Berlin, and London, touching on the very heart of European culture. His passionate, evocative prose paints a stunning portrait of an era that danced brilliantly on the edge of extinction.

This new translation by award-winning Anthea Bell captures the spirit of Zweig's writing in arguably his most revealing work.
