A Pete Seeger Discography: Seventy Years of Recordings (American Folk Music and Musicians Series)

David King Dunaway

Pete Seeger is one of the most recorded artists in American history, and his recording catalog tells us not just the story of his career but the story of our culture and its political and social history. *A Pete Seeger Discography: Seventy Years of Recordings* is a comprehensive listing of the 45s, 78s, LPs, and CDs recorded by Seeger in his various incarnations: with the Almanac Singers, with the Weavers, as a solo artist, and with other musicians and contributors. David King Dunaway provides information, with easy to use cross-references, on rare recordings and archival collections.

The discography offers details on Seeger's recording history, including the album title, song(s), other artists on the recording, the publisher and number, and the year or exact recording date if known, as well as the original release date and the re-releases of each recording. Structured to make locating details easy for readers, the recordings are organized chronologically and categorized by albums, singles, private pressings, and foreign releases. Readers can easily cross-reference through album and song title indexes and a contributing artist index. An appendix listing the unreleased archival holdings of the Smithsonian Folkways collection under Moe Asch completes the volume, and a photospread with more than 30 of Seeger's album covers convey a pictorial recording history of this well-loved artist.

The authors gratefully acknowledge Furthermore: a program of the J.M. Kaplan Fund, for their funding assistance in preparing this discography.
