## **Critical Pedagogy Primer (Peter Lang Primer)** Joe L. Kincheloe

The second edition of the *Critical Pedagogy Primer* not only introduces the topic but also provides a vision for the future of the critical pedagogy. Kincheloe's notion of an «evolving criticality» makes sure that critical pedagogy will continue to be a vibrant and creative force that makes a powerful difference in education and in the world in general. As it prepares readers for the challenges of the future, it focuses on the traditions and individuals who have helped construct the discipline. This attention to the past and the future provides readers with an introduction unlike most initiations into academic disciplines. In a richly textured but direct manner, Kincheloe captures the spirit of critical pedagogy in a language accessible to diverse audiences. Both the uninitiated and those with experience in critical pedagogy can learn from this unique and compelling perspective on the field.
