Last Days of the Dog-Men Brad Watson

In *Last Days of the Dog-Men*, Brad Watson brings us an anthology unlike any other: stories about dogs and people and their undeniable, unbreakable link to one another. Here Watson unerringly captures the canine component of the human personality--yearning for freedom, mourning the loss of something wild, drawn to human connection but also to thoughtless abandon and savagery without judgment--while portraying dogs as the loyal servants to their masters' complex emotional needs.

In precise and beautiful prose Brad Watson tells stories that are funny, dark, and vividly expressive. *Last Days of the Dog-Men* is a stellar collection heralding the arrival of a true talent.
