Lee Fiora is an intelligent, observant fourteen-year-old when she leaves her family behind in Indiana to attend the prestigious Ault School in Massachusetts. Over the next four years, her experiences at Ault—complicated relationships with teachers, intense friendships with other girls, an all-consuming preoccupation with a classmate who is less than a boyfriend and more than a crush—coalesce into a singular portrait of the universal pains and thrills of adolescence.

### AMERICAN WIFE

A bookish only child born in the 1940s and raised in a small Wisconsin town, Alice Lindgren has no idea that she will one day end up in the White House, married to the president. So when the charismatic son of a powerful Republican family sweeps her off her feet, she is surprised to find herself admitted into a world of privilege. As he unexpectedly becomes governor and then president, she discovers that she is married to a man she fundamentally disagrees with yet deeply loves. And upon the advent of her husband's second term, Alice must finally face questions nearly impossible to answer.
