The Death of Hip Hop, Marriage & Morals: Helping youth resurrect culture, family and faith Brady Goodwin Jr

The 2nd Edition: Part text-message, part text-book; academic and yet accessible- this is a work of translation between three cultures. Grammy nominated Christian rap artist, Brady "Phanatik Goodwin" has combed through and combined hundreds of hours of media content, research and first-hand experience to connect the dots between Hip Hop, history and the hereafter, painting a compelling picture for urban America. Goodwin brings parents, professors and pastors up to speed on conversations taking place at the street level; while bringing the "streets" up to speed on the discussions of the college classroom and the corner church. This is a must read for anyone concerned about, working with or raising urbanized youth.
