VOL 3 - "I AM" Discourses (Saint Germain Series) Ascended Master Saint Germain

The thirty-three Discourses contained in this Book were dictated over a visible Light and Sound Ray in our home during 1932 by the Ascended Master Saint Germain and those other Ascended Masters directly concerned with this Activity.

The need of protection and help for the children of Earth is so great at the present hour that the Great Ascended Masters and Legion of Light have 'let the bars down' so to speak, and have released this Inner Understanding of the 'Mighty I AM Presence' into the outer Life of mankind, that all who want the 'Light' and will make conscious effort to attain their own Freedom and Mastery may have the Assistance which will give them the Eternal Victory.

Never before, except in the Retreats of the Great White Brotherhood, has such intensified, transcendent Instruction concerning the 'I AM' been given to individuals.

When you think of the expression 'I AM', it means that you know you have God in Actin expressing in your Life.

this Book not only carries the Ascended Masters' Understanding of the 'I AM' but is charged with Saint Germain's Ascended Master Consciousness and the Ray of Light and Love from His Heart... GODFRE RAY KING
