Adobe Lightroom 5 Complete Workshop | Lightroom Presets, Lightroom Image Processing Mastery, and Lightroom Organization and Workflow
This Workshop consists of over 25 Hours of Education and Full RAW Exercise Files 3. There are three parts:

1) Lightroom Organization and Workflow DVD - This DVD teaches you the basics of image management and shows you how to process your images faster and more efficient.

2) Lightroom Image Processing Mastery DVD - This DVD teaches you how to master image processing in Lightroom, from basics like color correction and black and white conversion to advanced techniques like HDR, tilt-shift, and vintage fades.

3) Lightroom Preset System v5 - This has been widely recognized as the best preset system for Lightroom. Intuitive yet robust, this allows you to achieve amazing results in just a few clicks.

Together, we call this system the Lightroom Workshop Collection, and it gives you all of the education and tools needed for any photographer (of any experience level) to run a full studio using Lightroom.

Upon purchase, please email SLR Lounge for the free update to the latest version of the preset system.
