Women are busy. Whether their energy is expended at home or at the office, women find themselves overwhelmed with the to-do lists in their life, and they long for time away from it all so they can really hear God's still small voice. "But when I pored over the pages of Scripture," says author Sharon Jaynes, "I discovered that some of God's most memorable messages were not delivered while men and women were away on a spiritual retreat, but right in the middle of everyday life. He spoke to Gideon while he was threshing wheat and to shepherds while they were watching their flocks by night."

Using biblical wisdom and practical insights from her own life, Sharon invites readers to explore answers to the heart cry, "How can I hear the voice of God?"

Includes helpful study guide.
