*Einstein In His Own Words* collects wisdom and insight straight from the mind of the most famous genius of the 20th century. Read Einstein's thoughts and writings on a variety of subjects, including relativity, black holes, atomic energy, time travel, and more.

Insightful quotes include:

It is always delightful when a great and beautiful idea proves to be consonant with reality.

When I am judging a theory, I ask myself whether, if I were God, I would have arranged the world in such a way.

Great spirits have always encountered violent opposition from mediocre minds.

With full-color photographs and illustrations throughout, this is a lovely tribute to one of the greatest minds in modern science.
