Financial Statement Analysis: A Practitioner's Guide (Wiley Finance)

Martin S. Fridson

Financial Statement Analysis: A Practitioner's Guide (Wiley Finance) Martin S. Fridson

Intended to equip financial analysts for the practical challenges of contemporary business practice. Intended for readers already conversant with basic accounting principles, it addresses the complications that arise when analysts attempt to apply textbook-derived knowledge to the real world of extending credit and investing in securities. Emphasizing the adversarial nature of financial reporting throughout, it discusses the complex motivations of issuers and encourages skepticism about what might seem straightforward financial reporting. In an effort to reflect current financial developments, it uses a number of highly leveraged companies among its examples.

From reader reviews:

Harold Graham:

Information is provisions for anyone to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even an issue. What people must be consider if those information which is from the former life are difficult to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Financial Statement Analysis: A Practitioner's Guide (Wiley Finance) as your daily resource information.

Paul Henson:

Precisely why? Because this Financial Statement Analysis: A Practitioner's Guide (Wiley Finance) is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of benefits than the other book get such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the e-book store hurriedly.

Wallace Long:

Playing with family in the park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Financial Statement Analysis: A Practitioner's Guide (Wiley Finance), you could enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't get it, oh come on its referred to as reading friends.

Shelly Sampson:
