Idiot America: How Stupidity Became a Virtue in the Land of the Free

Charles P. Pierce

Idiot America: How Stupidity Became a Virtue in the Land of the Free Charles P. Pierce
NATIONAL BESTSELLER

The three Great Premises of Idiot America:

- Any theory is valid if it sells books, soaks up ratings, or otherwise moves units
- Anything can be true if someone says it loudly enough
- Fact is that which enough people believe. Truth is determined by how fervently they believe it

With his trademark wit and insight, veteran journalist Charles Pierce delivers a gut-wrenching, side-splitting lament about the glorification of ignorance in the United States.

Pierce asks how a country founded on intellectual curiosity has somehow deteriorated into a nation of simpletons more apt to vote for an *American Idol* contestant than a presidential candidate. But his thunderous denunciation is also a secret call to action, as he hopes that somehow, being intelligent will stop being a stigma, and that pinheads will once again be pitied, not celebrated. Erudite and razor-sharp, *Idiot America* is at once an invigorating history lesson, a cutting cultural critique, and a bullish appeal to our smarter selves.
