**Jesus of Nazareth: An Independent Historian's Account of his Life and Teaching** Maurice Casey

Labor History has recently undergone something of a renaissance that has yet to be documented. The book chronicles this rejuvenation with contributions from new scholars as well as established names. Rethinking U.S. Labor History focuses particularly on those issues of pressing interest for today's labor historians: the relationship of class and culture; the link between worker's experience and the changing political economy; the role that gender and race have played in America's labor history; and finally, the transnational turn.
