Don Heck: A Work of Art

John Coates

Don Heck: A Work of Art John Coates

Don Heck remains one of the legendary names in comics, considered an "artist's artist," respected by peers, and beloved by fans as the co-creator of Marvel Comics characters Iron Man, Hawkeye, and Black Widow, and for his long stint on Marvel Comics' team book The Avengers. In *Don Heck: A Work of Art*, author John Coates has meticulously researched and chronicled information on Don's storied 40-year career, including his time at DC, Dell, Gold Key, and as "ghost" artist on Lee Falk's *The Phantom* newspaper strip. From personal recollections from Don's surviving family, long-time friends, and industry legends, to rare interviews with Heck himself (where he discusses his career, artistic technique, triumphs, frustrations, and love of drawing), this book is full of insight into - and first-hand anecdotes from - the early days of Marvel Comics. It also features an unbiased analysis of sales on Don's DC Comics titles, an extensive art gallery (including published, unpublished, and pencil artwork), a Foreword by Stan Lee, and an Afterword by Beau Smith.

From reader reviews:

Sheila Walker:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important normally. The book Don Heck: A Work of Art ended up being making you to know about other information and of course you can take more information. It is quite advantages for you. The publication Don Heck: A Work of Art is not only giving you a lot more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your reserve. Try to make relationship with the book Don Heck: A Work of Art. You never experience lose out for everything in case you read some books.

Teresa Ealy:

As people who live in the actual modest era should be change about what going on or details even knowledge to make these individuals keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to you is you don't know what type you should start with. This Don Heck: A Work of Art is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Kellie Smith:

The reason? Because this Don Heck: A Work of Art is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Steven Dillinger:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from your book. Book is composed or printed or descriptive from each source in which filled update of news. Within this modern era like at this point, many ways to get information are available for you. From media social like newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just trying to find the Don Heck: A Work of Art when you desired it?
