Mario Alighiero Manacorda

Historia de la educacion / Volumen 1. De la antigüedad al 1500 (Spanish Edition) Mario Alighiero Manacorda

El libro que aquí presentamos amplía y profundiza los temas de una serie de transmisiones radiofónicas intituladas "La escuela a través de los siglos" realizada por el departamento de educación de la Rai-TV italiana y fundamentada en la lectura directa de los textos. De manera inevitable más exhaustivos en la parte antigua y centrados en una serie de leyes y estatutos significativos para la parte moderna y contemporánea, estos volúmenes, sea por los textos solemnes o curiosos, sea por la lectura desencantada que sugiere a través de ellos, propone un nuevo modo de conocer y comprender la historia de la educación. Por el logrado esfuerzo de síntesis se trata de un manual cuyas características lo convierten en una rica fuente de noticias, una óptima y lúcida integración al conocimiento de la historia de la educación, y, al mismo tiempo, una lectura básica con miras a la "revisitación" selecta de textos clásicos conocidos y no tan conocidos.
