"Laugh-out-loud funny--I loved it!" --*New York Times* bestselling author Thea Harrison

The trouble with humans is that they're far too sensitive. Forget you put a woman in the local jail for a few months--and she takes it so personally! And yet she is the one trying to assassinate the queen. And now I'm trapped with Elina Shestakova of the Black Bear Riders of the Midnight. . .gods! That endless name!

But what am I to do? I am Celyn the Charming with direct orders from my queen to protect this unforgiving female.

Even more shocking, this unforgiving female is completely unimpressed by me. How is that even possible? But I know what I want and, for the moment, I want her. And I'm sure that she, like all females, will learn to adore me. How could she not when I am just so damn charming?

## **Praise for The Dragon Who Loved Me**
