Low Carb Mug Cakes & Other Desserts: Mouthwatering Desserts to Try and Make Without Guilt

Do you find yourself craving for desserts but you want it easily prepared, quickly baked, uniquely presented and most importantly healthy?

Desserts are a favorite staple in meals and most people wish they can rely on themselves to prepare home cooked desserts instead of purchasing them from pastry and other specialty shops. However, even expert cooks hesitate at the thought of preparing desserts. They require precise measurements, a lot of time to prepare and a lot of tools to use. In the end, people are discouraged to make their own desserts.

Did you know that you do only need more than 2 to 12 minutes of your time to prepare a satisfying dessert? Did you know that you could control your servings, instead of having a whole baking tray? Did you know that you could have as few as one to two mini versions of the complete dessert? Did you know that you only need a mug and a microwave for most mug desserts?

With mug cakes and desserts, you can satisfy that craving and at the same time have an easy, quick and interesting way of having it. Mug desserts are gaining popularity today, not only because they are a novel way of preparing your desserts, but also because of the more savings you can get compared to preparing traditional oven-baked desserts.

Inside you will learn about:

- The advantages of making mug desserts
- The low carb challenge
- 10 mug cake recipes
- 7 mug cookie recipes
