**All About Music Technology in Worship: How to Set Up and Plan a Musical Performance (Hal Leonard Reference Books)** Steve Young, Corey Fournier

(Book). No church musician today is completely prepared to offer their music ministry in the varied and demanding settings of worship without a working knowledge of music technology. Providing instrumentations of great sounds created, arranged and enhanced for worship is a real workout, even for those of us who are not technologically challenged. This book brings you easy-to-understand instructions for everything from synthesizers, MIDI and sequencing to percussion, bass and guitar technology. Subjects such as the history of music technology in worship, hard disk recording, and using music technology in small to large traditional settings are explored.
