## **Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats** Anjop J. Venker-van Haagen

Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats is the first textbook to give a complete overview of all ENT diseases, both commonly encountered and rare. It includes such distinctive problems as inflammation of the outer ear, deafness, nasal discharge, swallowing disorders and coughing. Detailed and up to date clinical information gives insight into ENT function and dysfunction, for teachers and researchers, veterinarians in practice and veterinary students.

Six chapters give key information on functional considerations, aetiology, clinical signs, diagnosis, and therapy of ENT disorders. Relevant diagnostic and imaging techniques are described in detail.

Approximately 180 top quality illustrations emphasise and supplement the characteristic features of the diseases, disorders and techniques described in the text. There is also a detailed index.

This unique textbook provides a highly useful and practical reference guide in everyday practice, based on the author's 35 years as a specialist in Ear, Nose, Throat and Tracheobronchial Diseases in companion animals.

**From reader reviews:**

**Ronda Hagerty:**

Book is definitely written, printed, or descriptive for everything. You can realize everything you want by a reserve. Book has a different type. As we know that book is important thing to bring us around the world. Next to that you can your reading expertise was fluently. A e-book Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats will make you to become smarter. You can feel far more confidence if you can know about every little thing. But some of you think which open or reading a book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you looking for best book or ideal book with you?

**Gladys Dearth:**

People live in this new moment of lifestyle always try to and must have the spare time or they will get lots of stress from both way of life and work. So , when we ask do people have time, we will say absolutely of course. People is human not just a robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative throughout spending your spare time, the particular book you have read is usually Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats.

**Hope Giles:**

That book can make you to feel relax. This particular book Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats was bright colored and of course has pictures on the website. As we know that book Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats has many kinds or style. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and believe you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading which.

**Elvia Ecklund:**

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Ear, Nose, Throat and Tracheobronchial Diseases in Dogs and Cats can make you feel more interested to read.
