**Ingo** Helen Dunmore

A whisper on the tide

Sapphire's father mysteriously vanishes into the waves off the Cornwall coast where her family has always lived. She misses him terribly, and she longs to hear his spellbinding tales about the Mer, who live in the underwater kingdom of Ingo. Perhaps that is why she imagines herself being pulled like a magnet toward the sea. But when her brother, Conor, starts disappearing for hours on end, Sapphy starts to believe she might not be the only one who hears the call of the ocean.

In a novel full of longing, mystery, and magic, Helen Dunmore takes us to a new world that has the power both to captivate and to destroy.
