*Refilling the Church's Fountain of Youth* is a must read for any individual who has a need for grasping a further understanding of why the decline is occurring within churches amongst the young adult population. Therefore, pastors, church leaders and the emerging population are encouraged to add this work to their repertoire to further enhance their knowledge and wisdom of the challenges that exist within retention and attraction of young adults. Additionally, the work provides the example of a strong church community that understands the benefits of providing the young adults with support, love and the freedom to develop into disciples without fear of judgment or contradiction. Finally, the work is designed to provide assistance to any denomination or church that has recognized the decline of membership as it relates to emerging adults. It is indeed a necessary tool that can provide assistance and guidance for anyone working in the trenches of ministry. -from the foreword by Lori D. Spears, D.Min.

This book offers a portable and repeatable model of ministry that crosses denominations and ethnic boundaries within the church. Are you a pastor looking to improve your young adult ministry? Are you a leader of a teaching ministry looking for ways to be more effective? Are you a parent seeking to understand your young adult child's faith journey so that you can minister effectively? Are you a seasoned Christian who wants to be equipped to engage with young adults inside and outside your congregation? Then this book is for you!
