## **The Zodiac Killer Cover-Up: The Silenced Badge** Lyndon E. Lafferty

The true identity of the psychotic ZODIAC killer has been known by the Mandamus Seven (group of retired law enforcement officers, federal agents, a minister, and a District Attorney) since March 15, 1971. This true story is now being told for the very first time. Official corruption and political intervention forced the investigation into a top-secret, covert status, giving the insane ZODIAC killer immunity and a license to kill. Of the over 2,500 suspects cleared by the local authorities and the Department of Justice, this man is the only suspect who had the uncontrollable and powerful motive—adultery! Mind and body ravaged by years of severe alcoholism, his blood-lusting revenge turned him into the most shocking and vicious killer in our 20th century. Through his tauntings of the police, his codes, ciphers, and letters, he was on a mission to redeem his shattered ego, to prove that he is better, smarter, and more clever than all the judges and police put together. With lordly arrogance and jealousy, and with the assistance of the police, he continued his killing spree until he claimed a total of 37 victims. Lips sealed by secret oaths and federal obstructions of justice, the investigation was further impeded by personal associations with the suspect and his tenacious, intrepid wife, placing family members in imminent danger. The evidence is overwhelming and given the totality of the facts, it is the author's opinion that there is no jury in the world that would not find the suspect guilty of being the criminal genius, ZODIAC. Author's Bio: Lyndon E. Lafferty is an passionate outdoorsman who hiked to the top of Mt. Lassen three times and once to the top of Mt. Fujiyama, Japan during the Korean War. He also made two attempts each to climb Mt. Shasta and Mt. Whitney. Lyndon holds a U.S. patent and two patents pending. He loves to write and is currently working on two more novels. Lyndon has an excellent record with the California Highway Patrol with many commendations devoting 27 years to law enforcement. He is best known for crushing the hood and top of a patrol car as he and fellow officers used it as a platform to rescue 38 injured and trapped passengers on a commercial bus in November 1976. Inheriting the Zodiac investigation has been both a blessing and a curse. Bound by oaths of secrecy to a highly respected homicide detective, his lips were sealed until the death of the detective in 1977.
