Roger Reeves

**King Me** Roger Reeves

## On the “Best Poetry Books of the Year” list from *Library Journal*

“A sophisticated and breathtaking writer, Reeves takes the reader on a harrowing journey: each poem comes packed with arresting imagery, relentless in its examination of how tragedy and trauma become internalized — cleaning out the wounds to understand the pain.”—*Los Angeles Review of Books*

“Roger Reeves’ *King Me* stitches together many worlds into one startling and visceral book. His ranging, encyclopedic knowledge crosses history, medicine, biology, metapoetics and more, but he tackles it all with a bold and sonorous surrealist flow.”—*American Microreviews*

From a horse witnessing the lynching of Emmett Till to Mikhail Bulgakov chronicling the forced famines in Poland in the 1930s, *King Me* examines the erotics of care and the place of song, elegy, and praise as testaments to those moments. As Roger Reeves said in an interview, “While writing *King Me*, I became very interested in the mythology of king, the one who is sacrificed at the end of the harvest season. . . . For me, the myth manifests in the killing of young black men, Emmett Till, and in the ways America deems young, black male bodies as expendable—Jean Michel Basquiat, Mike Tyson, Jack Johnson. These are the young kings whom we love to kill—over and over again.”

## From "Some Young Kings":

*The hummingbirds inside my chest, with their needle-nosed pliers for tongues and hammer-heavy wings, have left a mess of ticks in my lungs and a punctured lullaby in my throat. Little boy blue come blow your horn. The cow's in the meadow. And Dorothy's alone in the corn with Jack, his black fingers, the brass of his lips, the half-moons of his fingernails clicking along her legs until she howls—Charlie Parker. Charlie Parker. Charlie Parker . . .*

**Roger Reeves** earned his MFA from the James A. Michener Center for Creative Writing and his PhD from the University of Texas. His poems have appeared in *Poetry*, *American Poetry Review*, and *Boston Review*. He teaches at the University of Illinois, Chicago.
