This is the FIFTH book in the War of Contractia. This series is partly inspired by Japanese/Korean light novels, manga/manwa and anime. It is completely DRM free and you have permission to change the format for your personal use.

With so many girls interested in Peter he has some interesting times ahead. If the war doesn't kill Peter perhaps dating will. Then again the war isn't going very well, so it will have plenty of opportunities to try!

Peter must discover the ancient secrets of alchemy, of the stars and of his distant past. He must fight to protect his friends and for his own survival too. It's not just Peter and his friends that are in grave danger though, but all of Contractia and more.

Hermes is depicted on the cover.

Please note that this series is unsuitable for young children mostly due to violent content and occasional (non explicit) references to matters of a romantic nature. There are also rare generally innocent, but compromising situations.
