4 Minutes a Day, Rock 'n Roll Your Way to Happy is the title of my amazing wife Shemane's new book. The woman gets it, and she gets it every day. Quality of life and true happiness come down to individual choices, and in this day and age of a world all shook up, we often need a reminder of the little, simple things that add up to overall health and a sense of completeness. Shemane nails it in every way as her higher level of awareness readily identifies all the various ingredients to bring it all about. She knows and she lives it. This great book can make all the difference in the world.
