## **Alpha Divided (Alpha Girl) (Volume 3) Aileen Erin**

Life has been crazy since Tessa McCaide moved to Texas. She's gone from being a normal-ish girl with visions to a super-powered werewolf. She's fought off vampires and broken a nearly unbreakable curse. And she's got a hot mate, Dastien Laurent, to keep her busy. Things are looking up until the full moon ceremony rolls around. Before Tessa can strengthen her bond with Dastien, the local coven crashes the gates, demanding that Tessa—their heir apparent—be returned. If the pack wants to avoid a war with the witches, handing Tessa over is the only option. Tessa doesn't want to cause an all-out fight, but joining a dark-magic coven isn't on her to-do list, especially if embracing her magic side means parting with Dastien. When the coven leader tries to control Tessa with dark-magic, Tessa realizes she has to dismantle the coven or prepare the pack for war. Either choice will change her life—and her world—forever.
