The Penny Collector is fifty-three chapters made from fifty-three stories. Some will make you laugh, some will make you cry, but all of them will make you think. Each story is centered around an idea, a theme, a notion. Using that idea, each chapter concludes with a "charge" to apply that idea to your life for the week ahead. Chapter zero is the setup, and the namesake of the book. The idea is that you read one chapter a week - the fifty-two remaining will last you a year. The Penny Collector is a great resource for leaders, managers, parents and small groups of any kind. If you are looking for a fun, entertaining and low-impact way to shine up your life, this is the book you've been looking for.
