Lauren Stillwell is not your average damsel in distress. When the NYPD cop discovers her husband leaving a hotel with another woman, she decides to beat him at his own game. But her revenge goes dangerously awry, and she finds her world spiraling into a hell that becomes more terrifying by the hour.

In a further twist of fate, Lauren must take on a job that threatens everything she stands for. Now, she's paralyzed by a deadly secret that could tear her life apart. With her job and marriage on the line, Lauren's desire for retribution becomes a lethal inferno as she fights to save her livelihood--and her life.

Patterson takes us on a twisting roller-coaster ride of thrills in his most gripping novel yet. This story of love, lust and dangerous secrets will have readers' hearts pounding to the very last page.

From reader reviews:

Carrie Grogan:

The book The Quickie can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book The Quickie? Some of you have a different opinion about guide. But one aim that book can give many facts for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or info that you take for that, it is possible to give for each other; you are able to share all of these. Book The Quickie has simple shape but you know: it has great and massive function for you. You can appear the enormous world by wide open and read a book. So it is very wonderful.

Anne Stewart:

Playing with family in the park, coming to see the marine world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love The Quickie, you can enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't have it, oh come on its identified as reading friends.

James Williams:

As we know that book is vital thing to add our knowledge for everything. By a e-book we can know everything we would like. A book is a group of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This reserve The Quickie was filled with regards to science. Spend your time to add your knowledge about your research competence. Some people has distinct feel when they reading a new book. If you know how big advantage of a book, you can truly feel enjoy to read a book. In the modern era like now, many ways to get book that you simply wanted.

Chris McCree:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Quickie can make you feel more interested to read.
