## **House On The Hill: A Metaphysical Journey Into The Glass Bead Game** Mark Megna

This book is a compilation of the greatest minds and ideas of all time incorporated into one synthesis known as The Glass Bead Game located in The House on the Hill. It is a living I Ching in which to inspire future Magister Ludi (Masters of The Game) to create future artistic and intellectual thoughts of perfection. It not only seeks an answer to the biggest philosophical question of all "why is there anything at all" but more importantly recognizes that "Beauty is Truth, Truth Beauty" The House on the Hill is an illusionary place where potential profound ideas become actualized and realized. It is the unification of philosophy, art, religion, quantum mechanics, science, music, literature, mathematics, and the mind merged into one collective system known as The Glass Bead Game. It is my Metaphysics of Being. What does it mean to be truly free" Mark Megna
