**A Wedding in Haiti (Shannon Ravenel Books)** Julia Alvarez

In a story that travels beyond borders and between families, acclaimed Dominican novelist and poet Julia Alvarez reflects on the joys and burdens of love—for her parents, for her husband, and for a young Haitian boy known as Piti. In this intimate true account of a promise kept, Alvarez takes us on a journey into experiences that challenge our way of thinking about history and how it can be reimagined when people from two countries—traditional enemies and strangers—become friends.
