Me Before You: A Detailed Summary & Analysis About The Book Of Jojo Moyes !

Life can sometimes be cruel. Like when all the bad things happen to good people and when all the good things happen to bad people.

Life can sometimes be cruel.

But life can also be nice. We can care for each other, for those in need; we can care for those that desperately need someone who will give them just the tiniest spark of life, to give them the smallest reason to live. To continue the fight, because life is just one big fight-- a war. And it isn't over until it's really over. This novel is about struggles in life, about ups and downs and a willing to sacrifice.

Me before you is a love story and a family story, but above all it's a story of the bravery and sustained effort needed to redirect the path of a life once it's been pushed off course. In the early months of 2009, Louisa (nicknamed Lou) Clark, a 26-year-old working-class girl, lands a position as a "care assistant" to an intelligent, wealthy and very angry 35-year-old man named Will Traynor, who has spent the past two years as a quadriplegic after being hit by a motorbike. It is Will's mother, Camilla (with whom he has a chilly relationship), who hires Louisa, and she does so out of desperation. She knows her son is miserable. She already employs a nurse to attend to his medical needs, but she hopes that somehow Louisa might boost his morale. The way how the relationship of the two progresses, their mutual infatuation with each other and the romance that evolves from time Louisa and Will spend together leads the novel towards the light at the end of the tunnel, but it's ending suggests something else. It deals with life's challenges and struggles, joblessness and quadriplegia, with a deft, witty touch. It is the tale of two families living on opposite sides of a small town, separated by a medieval castle, circumstances and class.

Here Is A Preview Of What You Will Get:

- In **Me Before You** , you will get a detailed summary of the book
- In **Me Before You**, you will find some analysis to strengthen your knowledge about the book
