Stay With Me S.E. Harmon

Private investigator Mackenzie Williams's newest client is everything he's looking for in a guy—charming, beautiful, intelligent, and successful. There's only one itty bitty problem—the guy's not exactly gay. In fact, Jordan Channing is looking for a PI to follow his fiancée. The smart thing would be to thank Jordan for his time, turn Mr. Perfect away (don't let the door hit you on the rump, thank you very much), and forget he exists.

Of course, Mackenzie has never been accused of doing the smart thing. Being a smart aleck is more his MO. Relationships aren't up his alley, never have been. So why's he so inexplicably drawn to his new client?

Jordan has always been the high achiever, a man who lives in a focused, controlled, and carefully constructed manner. But for the first time in his life, he has to admit the impossible—another man is getting his engine running on all cylinders. Despite Jordan's denial, it's not long before he can no longer resist the strong undercurrents pulling them together. Now Jordan must decide if he can go against everything he's ever known to have the only love he's ever wanted.

From reader reviews:

Sammy McManus:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each guide has different aim as well as goal; it means that book has different type. Some people experience enjoy to spend their time for you to read a book. These are reading whatever they get because their hobby is definitely reading a book. Why not the person who don't like reading through a book? Sometime, person feel need book when they found difficult problem as well as exercise. Well, probably you will want this Stay With Me.

Steven Richardson:

The book Stay With Me can give more knowledge and information about everything you want. So why must we leave the best thing like a book Stay With Me? Several of you have a different opinion about book. But one aim that will book can give many information for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or information that you take for that, you could give for each other; you may share all of these. Book Stay With Me has simple shape however, you know: it has great and big function for you. You can seem the enormous world by open and read a e-book. So it is very wonderful.

Gail Beattie:

Reading a guide can be one of a lot of task that everyone in the world loves. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a publication will give you a lot of new information. When you read a reserve you will get new information since book is one of various ways to share the information or even their idea. Second, looking at a book will make you more imaginative. When you examining a book especially fictional book the author will bring you to definitely imagine the story how the character types do it anything. Third, it is possible to share your knowledge to others. When you read this Stay With Me, it is possible to tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire average, make them reading a reserve.

Myra McKenzie:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Stay With Me can make you really feel more interested to read.
