Women

Annie Leibovitz, Susan Sontag

Women Annie Leibovitz, Susan Sontag

The photographs by Annie Leibovitz in *Women*, taken especially for the book, encompass a broad spectrum of subjects: a rap artist, an astronaut, two Supreme Court justices, farmers, coal miners, movie stars, showgirls, rodeo riders, socialites, reporters, dancers, a maid, a general, a surgeon, the First Lady of the United States, the secretary of state, a senator, rock stars, prostitutes, teachers, singers, athletes, poets, writers, painters, musicians, theater directors, political activists, performance artists, and businesswomen. "Each of these pictures must stand on its own," Susan Sontag writes in the essay that accompanies the portraits. "But the ensemble says, So this what women are now -- as different, as varied, as heroic, as forlorn, as conventional, as unconventional as this."

From reader reviews:

Ernie Swisher:

The book Women can give more knowledge and information about everything you want. So just why must we leave a good thing like a book Women? A number of you have a different opinion about guide. But one aim that will book can give many info for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or facts that you take for that, you may give for each other; you can share all of these. Book Women has simple shape nevertheless, you know: it has great and large function for you. You can appearance the enormous world by wide open and read a reserve. So it is very wonderful.

Ellen Jones:

In this 21st centuries, people become competitive in each way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of often the crowded place and notice by simply surrounding. One thing that at times many people have underestimated it for a while is reading. Yep, by reading a publication your ability to survive enhance then having chance to stay than other is high. For yourself who want to start reading some sort of book, we give you this specific Women book as basic and daily reading publication. Why, because this book is greater than just a book.

Hector Hartung:

Are you kind of occupied person, only have 10 or 15 minute in your morning to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your small amount of time to read it because this all time you only find book that need more time to be go through. Women can be your answer mainly because it can be read by a person who have those short free time problems.

Jeffery Hall:

Reading a book to be new life style in this calendar year; every people loves to learn a book. When you go through a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, and also soon. The Women provide you with new experience in reading through a book.
