This is the last book in the completed Werebears of New Hampshire series. HEA. No cliffhanger.

BBW, Rebecca Sanderson, is heartbroken. The hot bear shifter that she fell for over a magical weekend away in the mountains is a fraud. A player. A cheater. She runs away from New Hampshire devastated and right back into the arms of her ex-fiancée.

Bear shifter, Connor Jacoby, has no idea what went wrong. His bear bonded to the most incredible woman and everything was going right until she just disappeared off the map. She blocked his calls and stood him up and if that wasn't bad enough, the word came down that she is back with her ex-fiancée and about to get married.

Will Connor be able to win back Rebecca before her fast approaching wedding?

It includes some steamy scenes and is adult only.
