**Beautiful Mess: The Story of Diamond Rio (NelsonFree) Diamond Rio**

**Can a band comprised of six very talented but very different musicians make a difference with their music?**

What made it possible for Diamond Rio to weather the storms inherent in the fickle world of fame and fortune and go more than two decades without a single lineup change? Any reader in search of transparency and a behind-the-scenes look into the life of the band as a unit as well as the individual lives of the players and singers will be well satisfied. Can true loyalty exist within the competitive, seemingly unforgiving music industry? In *Beautiful Mess* Marty Roe, Dan Truman, Jimmy Olander, Brian Prout, Gene Johnson, and Dana Williams each has an entire chapter devoted to his personal and professional life. The book's tone is a welcome rarity—not written from one player's perspective, but from all six as they “meet in the middle.” *Beautiful Mess* is a wild ride from the edge of disaster and a little-known secret to an ongoing heart-warming revival.
