**Health, Wealth & Happiness: Has the Prosperity Gospel Overshadowed the Gospel of Christ?** David W. Jones, Russell S. Woodbridge

The desire for a thriving, healthy, and productive life is as strong as ever, especially in tough economic times. As people become more disillusioned at the state of the economy, they also become more susceptible to the lure of the prosperity gospel and its teachings of health, wealth, and happiness for the faithful. But what happens when the promise of prosperity overshadows the promise of the real gospel--the gospel of Christ?

Believing that the prosperity gospel is constructed upon faulty theology, authors David W. Jones and Russell S. Woodbridge take a closer look at five crucial areas of error relating to the prosperity gospel. In a fair but firm tone, the authors discuss the history and theology of the prosperity gospel movement to reveal its fraudulent core biblical teachings that have been historically and popularly misinterpreted, even by some of today's most well-known pastors. After an introduction and assessment of the movement, readers are invited to take a look at Scripture to understand what the Bible really says about wealth, poverty, suffering, and giving.

Theologically sound but accessible to all readers, *Health, Wealth & Happiness* is sure to become a trusted resource for laypersons, pastors, and Christian leaders.
