A woman that's unmarried and feels loneliness in her heart will believe that this loneliness she feels is because she is single. She then spends the rest of her single life feeling incomplete or half empty. Adrienne King; like most women, experienced a season in her life where she lived to the expectations of meeting her "God sent" husband at a specific age range and when it didn't happened she became distracted which led her to question God, develop negative thoughts, soak in self-pity and feel discontentment in her heart. She later decided to trust God completely with her life; that is when she found completeness. In this book, Women will learn how to:

- Completely trust God in their season.
- Accept their season and become a woman of devotion, Faith, and Freedom.
- Wait patiently for their "God Sent" husband.
- Become whole in Christ.
- Break free from the bondage in their lives.
- Shift their thinking from a negative to positive mindset.
- Protect their minds and hearts from unclean spaces.
- Determine the difference between alone and loneliness.
- Let go of the past and forgive themselves and others in order to become whole.
- Develop a deeper more intimate relationship with God.

Have you ever thought God has forgotten you? Have you ever thought about "just settling" like everybody else? Do you feel discontent? Do you seize the opportunity of your season or do you choose to soak in self-pity? If you answered "Yes" to these questions then "Saved and Discontent" is written just for you. Embrace your season, Trust God and experience the amazing power of being the Whole and Content woman God has called you to be.
