The Fantastic Adventures of Baron Munchausen Heinz Janisch

Munchausen is the father of all fantastic liars, and as such, he is part magician and entertainer and part scoundrel—but a charming one, of course! Here, in simple language, Heinz Janisch retells the best-known Munchausen stories with humor and playfulness, making for a lighter and more whimsical presentation than usual. These retellings are mixed with never-before-heard adventures that were supposedly found only recently among the long-lost possessions of the well-known Baron of Lies. Could it be that new Munchausen material only recently came to light? Or might Janisch be playing with us, weaving more magic and mischief into Munchausen as he goes along, compounding the tallness of these already tall tales? Only Janisch knows for sure, but it hardly matters, given the thrill and pleasure of the stories he has to relate. Aljoscha Blau illustrates Munchausen's fabulous journeys and exciting adventures with gorgeous imaginative pictures that are sure to entrance both children and adults.

Heinz Janisch was born in Austria in 1960 and studied German literature in Vienna. He has published numerous books, including many children's titles, which have been translated into more than twelve languages. He was nominated for the 2009 Lindgren Memorial Award and has been nominated for the 2010 Hans Christian Andersen Award. In 2008 he received the Austrian picture book award. He lives in Vienna.

Aljoscha Blau was born in 1972 in St. Petersburg and has been living in Germany since 1990. He studied art in Hamburg, has received several awards, and has exhibited his works in Paris, New York, Hamburg, and Bologna. He lives in Berlin with his wife and two children.
