Would you like a text that gives you the opportunity to direct your attention toward an area of interest that might develop into a career path and helps you identify educational course offerings related to your career choices? INVESTIGATING YOUR CAREER, 3rd Edition has been revised to include social networking, personal finance, blog activities, math and financial information, and additional coverage on the 16 Career Clusters, making it the perfect solution. This career exploration text uniquely focuses on your individual PATH to success: your Passions, Attitude, Talents, and Heart, as career possibilities are explored. You will learn critical success skills such as how to budget your money, the value and misuse of credit, and how to manage your time. Focusing education on the future, the U.S. Office of Education has grouped careers into 16 clusters based on similar job characteristics. Every chapter in INVESTIGATING YOUR CAREER, 3E includes detailed information on a career cluster allowing you to learn about the various career options available. The career cluster approach makes it easier to understand the relevance of your required courses.
