MKSAP® for Students 5

American College of Physicians and the Clerkship Directors in Internal Medicine

MKSAP® for Students 5 American College of Physicians and the Clerkship Directors in Internal Medicine Like its best-selling predecessor, the fifth edition of this popular series contains over 450 multiple-choice questions, updated references, color photographs and ECG tracings. *MKSAP for Students* is intended for third-year students participating in their required internal medicine clerkship and for fourth-year students on an advanced medicine clerkship. All questions are formatted as clinical vignettes that resemble the types of questions students encounter on the examination at the end of the clerkship and on the USMLE licensing examination. Each question has a detailed answer critique that identifies the correct answer, an explanation of why that answer is correct and the other options are incorrect, an educational objective and a short bibliography. Succinct Key Points summarize the important take home messages for each question. *MKSAP for Students 5* is supported by its companion textbook, *Internal Medicine Essentials for Students* All questions in *MKSAP for Students* are associated with relevant content in the *Essentials* textbook that can directly answer the question.
