Soul in Society Gary Dorrien

Gary Dorrien's major work addresses the roots of and remedy to the current crisis in American Christian social ethics. Focusing on the story of American liberal Protestantism, the book examines in fascinating depth the three major movements in this century ? the Social Gospel, Christian Realism, and Liberation Theology ? in a way that also brings African American, feminist, environmentalist, Catholic, and other voices into the increasingly multicultural quest. Dorrien then carefully assesses the crisis of social Christian thought in a culture that is increasingly secular, materialistic, and dominated by capitalism.
