**Rabbi Small encounters militant activists, anarchists, and a mad bomber on a college campus in this *New York Times* bestseller**

Once again, Rabbi Small finds himself looking for solace outside the confines of the contentious world of his synagogue in Barnard's Crossing, Massachusetts. When a member of his congregation expresses that she does not want him to officiate her wedding, Rabbi Small has had enough. He seeks escape by dabbling in academia with a part-time teaching gig at a local college. But his fantasy of a tranquil life in an ivory tower is about to come tumbling down.

A bombing at the school kills one of the rabbi's coworkers, and Small finds himself caught between adversarial students and feuding faculty members. As he investigates possible suspects with the same logic and measured caution that make him a brilliant religious leader, Rabbi Small finds that everyone has a motive—and an alibi—and it's up to him to uncover the truth.
