Declutter your entire home with a shortcut!

Busy? Stress? No time to clean your house? Here is **fastest and simplest ways** to solve all your problems in one go with this book!

Unlike other books, with this book you will be exposed to **tricks and cheats** to decluttering that is not repetitive or condescending. It aims to be clear, concise and practical, keeping in mind that most people do not have the time to empty an entire room or are attempting to organize their homes while working or raising children.

Furthermore, it provide readers with an overview of minimalism, its purpose and benefits. This book also has written texts that offer realistic suggestions on what to do with items you are getting rid of for other possible meaningful purposes instead of simply saying items should be thrown out.

In this book, you'll learn:

- The easiest way to spiff up your entire home with just 5 minutes a day
- How to create the simplest method to declutter even the messiest space
- How to choose the most suitable declutter techniques according to different rooms
- How to maintain an easy-to-pick-up decluttering habits even with the children
- How to adopt a minimalist lifestyle that will improves your health and financial situation
- And much, much more...
