Story Behind the Book

“My teenage daughter really needs to hear this!” Such was the typical reaction from countless men and women who read Shaunti Feldhahn’s bestselling *For Women Only*. “If forty-year-old women are surprised by the truth about how men think, we realized the value in helping teenagers discover these realities as well,” says Shaunti. Teaming with her best friend Lisa Rice, a mother of teen girls and the coauthor of *For Women Only Discussion Guide*, they launched a major national survey of guys fifteen to twenty. Their surprising findings are revealed here to help girls improve their relationships with the opposite sex, now and into the future.
