Three steampunk romance favorites from award-winning author Cindy Spencer Pape in one convenient box set

Cards & Caravans

Belinda Danvers isn't a witch. But that won't stop them from burning her at the stake. Connor McKay knows there's no way she can be guilty of murdering village children. But telling anyone what he thinks would mean revealing his own powers—something he can't risk without revealing a plot that's bigger than the two of them.

Ashes & Alchemy

Police inspector Sebastian Brown served Queen and country in India before returning to England to investigate supernatural crimes alongside the Order of the Round Table. But when Minerva Shaw lands on Sebastian's doorstep, desperately seeking a doctor for her young daughter, it's he who will need protecting—from emotions he'd thought buried long ago.

Dragons & Dirigibles

When airship engineer Melody McKay's dirigible explodes and plunges her into the yard of a gothic manor, she suspects foul play. She resolves to crack the mystery while in the care of Victor Arrington, the stuffy-yet-disarming Earl of Blackwell. As they navigate a treachery so deep it threatens the lives of everyone in Black Heath, the earl becomes unexpectedly attached to his fiery houseguest, and Melody discovers a softness in her heart for him. But when the enemy strikes, there's more at risk than just their future together.
