Bridget Jones: Mad About the Boy (Vintage Contemporaries) Helen Fielding

Move over, Bridget Jones's diary: She's back, and this time she's texting and tweeting. . .

Fourteen years after landing Mark Darcy, Bridget's life has taken her places she never expected. But despite the new challenges of single parenting, online dating, wildly morphing dress sizes, and bafflingly complex remote controls, she is the same irrepressible and endearing soul we all remember—though her talent for embarrassing herself in hilarious ways has become dangerously amplified now that she has 752 Twitter followers. As Bridget navigates head lice epidemics, school-picnic humiliations, and cross-generational sex, she learns that life isn't over when you start needing reading glasses—and why one should never, ever text while drunk.

Studded with witty observations about the perils and absurdities of our times, *Mad About the Boy* is both outrageously comic and genuinely moving. As we watch her dealing with heartbreaking loss and rediscovering love and joy, Bridget invites us to fall for her all over again.
