Lippincott Manual of Nursing Practice Sandra M. Nettina

Expanded and completely updated for its Ninth Edition, this full-color classic reference is the one source every nurse needs for essential information on patient care. In an easy-to-read outline format, this clinically focused guide covers all disorders and patient problems in medical-surgical, maternal-neonatal, pediatric, and psychiatric nursing, and includes over 150 step-by-step procedures.

Each chapter incorporates official guidelines that shape clinical practice, including those from the National Institutes of Health, American Diabetes Association, American Heart Association, American Nurses Association, Joint Commission, AWHONN, and others. Highlights of this Ninth Edition include updated photos and illustrations, updated references at the end of each chapter, a new Drug Therapy icon to spotlight nursing interventions related to drug therapy, expanded coverage of leadership and management, an expanded psychiatric care chapter, and expanded coverage of documentation, especially ensuring security in electronic medical records.

A companion Website includes medication tips, a dosage calculator, videos and animations on medication administration and safety, drug-related NCLEX®-style questions, FDA updates, and new clinical studies.
