Dear Friends and Fans of the real "Tom" and "Heather":

Until Book Two, Chapter 2, the price for every new chapter had been \$.99, which we felt fair. But KDP has been alerting me/us that (for whatever reason) selections in our category will reach a far broader audience if the price is \$2.99; if you go onto the KDP/Amazon website, you will see similar indications. Therefore, we are honoring this indicator, and we hope that the results will be positive. However we do this with some reservations, and apologize to those for whom, like us, the added \$2 cost might be not insignificant, although hopefully not burdensome.

For you most-welcome new readers, re "the chapters:" every Thursday a new chapter of "Tom and Heather, Book Two" will appear for \$2.99...a bit the way Charles Dickens placed a new chapter of his novels in magazines on a weekly basis. However if you missed Book One, it is available here on Amazon for \$9.99. Do whatever works for you - hopefully with an open mind, and an appreciation for the real Tom and Heather's remarkable - sometime amusing, sometimes touching, sometimes frustrating, sometimes sizzling - journey. Best, and enjoy! With sincere appreciation - Morgan Snow

BTW Book Two in its entirety for \$9.99 is still not available as, although it is complete in its first draft form, it still needs strong editing. Wish I didn't have a "day job" so I could spend full-time writing and editing, but, alas...I'm guessing you can relate! And even in its second-draft form, Book One could still use work - not a surprise if you've been following the literary adventure as well as "Tom and Heather"'s literal one. Perhaps one day we'll have a professional publisher who can contribute needed finessing, as occurred with 50 Shades when it went to hardbound-then-paperback.

THE NOVEL:

Is sex essential? Is it truly, deeply important in a loving relationship? Of course!

Tom and Heather Wellesley are a once-highly-attractive but later, at a certain point in their lives, a slightly boring, out of shape family couple in their thirties whose intimacy and excitement have waned, opening the door for the possibility of divorce.

However in its face they fashion, by mounting degrees, a culture of their own, not knowing in the beginning that hotwifing is already an established (worldwide) phenomenon - not only in their context, but also in that of others - culturally - across HW's widespread, wildly-varying landscape.

At the outset Heather faces a serious learning curve as her seduction techniques meet, ironically, with alternating degrees of bemused and bemusing success, while at times woefully frustrating and ironic non-success.

Meanwhile on the plus side Tom's love life with Heather begins to percolate wildly as it did for the real-life couple upon whose story this rowdy, raunchy, sensuous and sensual tale is (fondly and warmly) based - and with whose input and enthusiasm it was written. With grander, more intimate and more intriguing successes for Heather - with and occasionally without Tom - to follow. And FOLLOW...!...in Book Two, Chapter 5!
